("BIOVIA") and the purchaser ("You", "Your") of a license to use the Biovia Draw software and accompanying documentation ("Software"). BIOVIA is willing to grant You the following license to use the Software on the following terms.

By clicking on the "Accept" button below, You and Your employer (if applicable) represent and warrant that You have read this Agreement, understand it, and agree (and have the authority on behalf of Your employer to agree) to be bound by it.

If You do not agree to the terms below, BIOVIA is unwilling to license the Software to You. In this case, You should click on the "Do Not Accept" button below to discontinue installation, and any amounts You have already paid to BIOVIA will be refunded.

LICENSE. Subject to the terms of this Agreement, You may install and use the Software in executable code only, on a single computer You own or control at no charge only if: (i) You are a student, faculty member, staff member or resident scholar of an educational institution (K-12, junior college, college or university) using Software for academic and/or teaching purposes only; or (ii) Your use of the Software is solely for personal, non-commercial use. **If you do not fit within (i) or (ii) above, a license fee is due to BIOVIA under a separate commercial license, no license is granted herein and You should click on the "Do Not Accept" button below.** You may also copy the Software for backup purposes, but only if You reproduce all copyright and other proprietary notices that are on the original copy. The foregoing rights are personal to You, non-exclusive, non-transferable and revocable.

RESTRICTIONS. You may not use, copy, modify, or transfer the Software, or any copy, in whole or in part, except as expressly provided in this Agreement. You may not reverse engineer, disassemble, decompile, or translate the Software, or otherwise attempt to derive its source code, or authorize any third party to do any of the foregoing, except to the extent allowed under any applicable law. You may not remove, modify or obscure any proprietary notices on the Software. You may not rent, lease, loan, resell for profit, transmit or distribute the Software, install or use the Software on more than one computer simultaneously or use in a networked or multiple-user arrangement.

OWNERSHIP. The Software is licensed, not sold, to You subject to the terms of this Agreement. BIOVIA reserves all rights not expressly granted to You. You own the media, if any, on which the Software is recorded, but BIOVIA retains ownership of all copies of the Software itself. You acknowledge that the Software contains and embeds valuable, unpublished information that is proprietary and confidential to BIOVIA and its suppliers; You agree to keep all such information confidential. This does not preclude You from using information You lawfully obtain from another source.

TERM. This Agreement and Your license rights start on the date You accept this Agreement and download the Software, and will continue until terminated. If You have selected an evaluation license, the term of the license will continue for a period of no more than 30 days. This Agreement will terminate immediately without notice to You if You materially breach any term or condition of this

Agreement. You also may terminate this Agreement and Your licenses at any time, without refund of any fees, by destroying the Software and all copies thereof. Upon any termination, You agree to promptly erase all copies of the Software and portions thereof from Your computer. Termination is not an exclusive remedy.

WARRANTY DISCLAIMER. To the maximum extent permissible under applicable law, the Software is provided "AS IS" without warranty of any kind, express or implied, including without limitation the implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, or any implied warranties arising from course of dealing or course of performance. Some jurisdictions do not allow the exclusion of implied warranties, so the above disclaimer may not apply.

LIMITATION OF REMEDIES. Regardless of whether any remedy set forth herein fails of its essential purpose or otherwise, in no event will BIOVIA or its suppliers be liable to You or any third party under any legal theory of liability for any loss of profits or revenue, loss or inaccuracy of data, interruption of business, cost of substitution, or any other indirect, special, consequential, exemplary or incidental damages of any nature arising out of the use or inability to use the Software, even if BIOVIA has been advised of the possibility of such damages and whether or not such damages are foreseeable. In no event will the liability of BIOVIA or its suppliers exceed the amount received from You under this Agreement. Some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, so the above exclusion may not apply.
